This is helpful. Could you provide an E.O. 13526 citation that you would normally use to require an author to remove law enforcement sensitive information for each of the highlights? We are only familiar with ~~LS~~ as an ~~FOUO~~ designation.

I'll be out of the office tomorrow, but can be reached via unclass email at [fahya@state.gov](mailto:fahya@state.gov). Dan Sanborn, who is copied on this email is also a good contact.

Thank you!

Alden

Good afternoon [REDACTED]

I just have one last follow-up question. DOS is going to remove our information, but they would like to know what exemption to use. Would you like the information removed as law enforcement sensitive or due to national security concerns?

Thanks again for all your help.
